Dear Mr. [REDACTED]

Thank you for your letter of 26 November 1957 indicating your interest in establishing a law office in the new headquarters building which is being planned for the Central Intelligence Agency at Langley, Virginia.

As you know our present plans do not provide space for commercial concessions or professional offices.

Your interest in this matter is very much appreciated, and we will be glad to consider your application if it later becomes appropriate to plan for such space.

Sincerely,

/s/
L. K. White
Deputy Director
